Reports & Publications

Leibowitz, Arlene, Michael Shiffman and Jonathan Fielding. *Evaluation of the Long-term Impacts of the Medi-Cal Managed Care Expansion Phase 1*, report prepared for the California Department of Health Services under Interagency Agreement #9623930, 1998.

Shiffman, M. *Family Traumatization: Dissociation, Alexithymia and Post-traumatic Effects in Adult Children of Alcoholics*, doctoral dissertation (UCLA), 1994.

“The Men's Movement: An Exploratory Empirical Investigation,” in Michael Kimmel (ed.) *Changing Men: New Directions in Research on Men and Masculinity*, Sage, 1987.

“The Rise and Decline of Communist Leadership in the Transport Workers Union (CIO), 1933-1949,” in Maurice Zeitlin (ed) *How Mighty a Force: Studies of Workers' Consciousness and Organization in the United States*, Monograph and Research Series: 35: 213-306, Institute of Industrial Relations, UCLA, 1983.

Selected Employment

Private Practice, Licensed Marriage and Family Therapist, October 19, 2020 to present.
Psychotherapy for individuals, couples and groups.

Associate Marriage and Family Therapist, The Chicago School of Professional Psychology Westwood Counseling Center, October 2018 – July 31, 2019.
Internship with individual and group supervision. Clinic closes July 31, 2019.

Associate Marriage and Family Therapist, Eileen Paris, LMFT, 2017- present.
Private practice internship.

Associate Marriage and Family Therapist, David Plotkin, PhD & Associates, 2018.
Private practice internship.

MFT Trainee, Counseling West, 2016-2017
Traineeship with weekly group supervision and training.

Somatic Therapist, The Insight Center, 2006 – present.
Clinical practice based in relational bodytherapy that includes the therapeutic use of touch. Specialties include trauma resolution, anxiety and panic, substance abuse and recovery, sex and gender issues, and chronic pain.

Co-Founder, The Insight Center, 2006 – present.
The Insight Center is dedicated to teaching mindfulness meditation and somatic practices to professionals and the general public. I have developed curriculum for a continuing education training program in mindfulness practices and somatic therapy. I teach classes, lead workshops and retreats, provide individual counseling, lead corporate trainings, maintain the Center's continuing education authorizations, and coordinate trauma related clinical trainings for other faculty.

The Insight Center is authorized to provide continuing education by the *American Psychological Association*.

Founder, MettaWorks™, 2002 – 2006.
Created MettaWorks as a vehicle for technology consulting including hosting and developing websites. MettaWorks also provided technical consulting and program evaluation services.

Founder, LA Dharma™, 1999 – present.
Launched new non-sectarian Buddhist organization. Organized two events with 500 participants, more than 60 daylong events with invited teachers, and more than 60 half-day or evening events. Taught mindfulness meditation classes for beginning and experienced meditators since 2002. Host meditation and study groups, administer special events, manage and develop websites, support technology infrastructure.

Co-Founder and Director of Evaluation, Pivotal Point™, 1999 – 2003.
Prepared all necessary paperwork for 501(c)3 incorporation. Developed classroom-based programs for public and private schools, prepared program curriculum, brochures and website. Wrote and negotiated contracts, designed evaluation instruments, collected pre-

post test data from schools under contract, developed and hosted website. Conducted program evaluations and delivered presentations to principals and staff.

Senior Grant Writer, Tarzana Treatment Center, 1999.

Prepared three related grants for the funding of one residential and two non-residential adolescent substance abuse treatment programs for a total request of \$1.2 million dollars. Two were funded for just less than one million dollars.

Project Manager, UCLA Department of Pediatrics, 1998.

Assisted in the design of two national research projects and served as liaison with two Federal agencies and a non-profit foundation; developed proposals, budgets and presentations; supervised small staff; developed survey instruments and research strategies; conducted site visits; installed and managed computer networks. Doubled Federal project budget and integrated new funding from Bureau of Indian Affairs.

Project Manager, UCLA School of Public Policy and Social Research, 1997 – 1998.

Full management responsibility for a project to evaluate Medi-Cal managed care for the California Department of Health Services (CDHS). Served as liaison to CDHS; responsible for final project design, agency compliance, budget, data collection (phone interviews and focus groups); and wrote progress reports, portions of final report, and prepared final report for delivery. Participated in special monthly meetings of the CDHS executive committee in Sacramento. Trained and supervised staff, coordinated and supervised consultants, created and managed technical systems for mission critical data.

Technical Analyst, CyberMedia, Inc., 1995 – 1996.

As the 2nd technical support engineer, I helped develop and supervised the technical support department and assisted the growth from 1 to 75 people.

Program Evaluator, Children's Institute International, 1994.

Evaluated the child sexual abuse training program. Prepared end-of-year report and a successful annual renewal proposal for their \$1.25 million budget.

Technical Support Specialist, Quarterdeck Office Systems, 1992 – 1994.

Provided telephone technical support to the general public and corporate clients for cross-platform computing (UNIX and Windows) and memory management.

Technical Analyst, Integrated Technologies, 1990 – 1997.

Provided comprehensive technical consulting and training services to individuals, companies and universities. Provided training for software applications, graphics design and desktop publishing; supported networks and evaluated hardware and software for compatibility and client suitability.

Programmer Analyst, UCLA International Studies and Overseas Programs, 1988 – 90.

Provided training, database management and desktop publishing services. Supported software and hardware for 120 workstations used by 150 students, faculty and staff. Designed, implemented and administered Novell network for accounting department.

Programmer Analyst, UCLA Center for the Study of Women, 1985 – 1988.

Set up the Center's founding computer systems, provided training, database design and management, desktop publishing services, and technical support for the director and seven staff.

Instructor, Loyola Marymount University, Summer 1985.

Taught the *Sociology of the Family*.

Teaching Associate, UCLA Department of Sociology, 1984 – 1985.

Assisted with *Sociology of the Family*, *Sociology of Emotions*, *Social Change*, *Social Movements*, *Mass Communication*, *Social Stratification*, and *Introductory Sociology*.
